

# WSE Landmark Award Nomination Form

The Landmark Award was established in 1992 to recognize an outstanding engineer's body of work and contributions to the profession. WSE members, their coworkers and clients are eligible for nomination. Applicants are judged on their:

- technical and ethical insights;
- sharing of knowledge;
- promotion of engineering training; and
- participation in technical societies, publications, and seminar presentations.

The recipient will be selected by the Awards Committee and approved by the Board of Trustees for their ethical and professional commitment to the field of engineering.
